#### SUMMARY OF SERVICES PROVIDED TO CITIES BY THE COUNTY OF LOS ANGELES

Thank you for responding to the recent survey of services provided by County departments to cities within Los Angeles County. Attached for your information is the updated matrix.

The matrix reflects services provided by our departments via General Services Agreement, departmental Special Services Agreement and other types of agreements. Services provided to cities through these agreements include "as needed" services such as predatory animal control, prosecution of city ordinances, and a variety of public works activities. Also included are services of a varied and/or complex nature, such as law enforcement, public health code enforcement, and animal care and control.

In the past years, we have conducted the survey of services every two years. However, in order to maintain a chart that accurately reflects current services, we would like to ask your assistance in providing my office with any updates in services and changes in City/County liaison personnel as they occur. Please submit updates to Ron Morales, Kenneth Hahn Hall of Administration, 500 West Temple Street, Room 723, Los Angeles, CA 90012 or via e-mail at <a href="mailto:rmorales@cao.co.la.ca.us">rmorales@cao.co.la.ca.us</a>.

An updated chart will be located on the CAO's Intergovernmental Relations Branch website at: <a href="http://cao.co.la.ca.us/igr/PDF/ccs.pdf">http://cao.co.la.ca.us/igr/PDF/ccs.pdf</a>.

If you have any questions, please contact Gerri Kariya at (213) 974-1100 or Ron Morales at (213) 974-1327. We very much appreciate your cooperation.
